1. Aims

This policy aims to:

Provide a **consistent approach** to behaviour management

Define what we consider to be unacceptable behaviour, including bullying

Outline **how students are expected to behave**

Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management

Outline our system of **rewards and sanctions**

2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

[Behaviour and discipline in schools](#)

[Searching, screening and confiscation at school](#)

[The Equality Act 2010](#)

[Use of reasonable force in schools](#)

[Supporting students with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its students

Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate students' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate students' property

[DfE guidance](#) explaining that maintained schools should publish their behaviour policy online

3. Definitions

Middlewich High School promotes the 4 values of: Safe, Ready, Respect, Resilient.

The School and the Governing Body believes that in any community there must be a Code of Conduct based upon equality of opportunity and involving mutual respect and concern for property and co-operation with other people. All students must be able to work without disruption in a quiet and orderly environment.

Teachers will encourage positive behaviour, set firm limits, communicate clearly and back up words with actions. Students understand that they have a choice: if they follow the rules they will reap the benefits of a rewards system and if they choose to misbehave, they must accept the consequences and expect sanctions to be applied. The aims of our discipline system are:

To increase student motivation

To improve standards of behaviour

To set out clear rules and guidelines

To reward ALL students for positive aspects of their work and behaviour

To produce a system which gives EVERY student an equal opportunity to achieve ANY of the rewards

To identify students who require extra support and counselling

To deal with negative aspects of a student's behaviour in a firm, clear and consistent manner in order to bring about positive change.

The school seeks to create a caring, inclusive learning environment by:

Promoting desired behaviour and self-discipline by focussing on our key principles of being Safe, Ready, Respectful and Resilient.

Promoting self-esteem, proper regard for authority and positive relationships based on mutual respect

Ensuring equality and fairness of treatment for all

Promoting early intervention

Providing a safe environment

Developing positive relationships with parents/carers to cultivate a shared approach

Promoting a culture of praise and encouragement in which all students can achieve and feel valued

These expectations and, therefore, our positive discipline system apply to students in school, or when:

Taking part in any school organised activity or school related activity

Travelling to and from school

Wearing school uniform

In some other way identifiable as a student at the school

We will not accept behaviour that causes hurt or distress to another person.

Misbehaviour is defined as:

Failure to be Safe, Ready, Respectful or Resilient

Disruption in lessons, in corridors between lessons, and at break and lunchtimes

Non-completion of classwork or homework

Poor attitude

Incorrect uniform

The use of rude or unkind language (verbal, written or electronic via email or social media)

Serious misbehaviour is defined as:

- Repeated breaches of the school rules
- Any form of bullying
- Sexual assault, which is any unwanted sexual behaviour that causes humiliation, pain, fear or intimidation
- Vandalism
- Theft
- Fighting, or physical assault
- Smoking, including the use of e-cigarettes
- Racist, sexist, homophobic or other discriminatory behaviour
- Possession of any prohibited items. These are:
 - Knives or weapons
 - Alcohol
 - Illegal drugs
 - Stolen items
 - Tobacco and cigarette papers
 - Fireworks
 - Pornographic images
 - Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the student)

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

Deliberately hurtful

Repeated, often over a period of time

Difficult to defend against

Bullying can include:

Type of bullying	Definition
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Racial	Racial taunts, graffiti, gestures
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Discriminatory	Taunts or other forms of bullying specifically targeted at a person because of their gender, sexual orientation or disability
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites
Sexual Harassment	Unwanted conduct of a sexual nature which can occur on or offline Sexual harassment is likely to: violate a child's dignity, and/or make them feel intimidated, degraded or humiliated and/or create a hostile, offensive or sexualised environment Sexual harassment can normalise inappropriate behaviours and create an environment which may lead to sexual violence
Sexual Violence	Rape, assault by penetration or sexual assault
Harmful Sexual Behaviour	Sexual behaviour which is problematic, abusive or violent rather than normal or developmentally expected

Details of our school's approach to preventing and addressing bullying are set out in our Anti-bullying Policy.

All details of Peer on Peer abuse are recorded on CPOMS.

5. Roles and responsibilities

5.1 The governing board

- Letters, postcards or phone calls home to parents

See appendix 4 for sample letters to parents about their child's behaviour.

Serious breaches of this behaviour policy may also result in a student being placed in Reflection. Students will attend school from 8.40am until 3.00pm on these days and work will be provided.

Alternative Provision at another school, fixed term or permanent exclusion may also be used as sanctions. Details are explained in the Exclusion Policy.

7.2 Off-site behaviour

Sanctions may be applied where a student has misbehaved off-site when representing the school, such as on a school trip or travelling to or from school.

7.3 Malicious allegations

Where a student makes an accusation against a member of staff and that accusation is shown to have been malicious, the Headteacher will discipline the student in accordance with this policy.

Please refer to our safeguarding policy for more information on responding to allegations of abuse.

The Headteacher will also consider the pastoral needs of staff accused of misconduct.

8. Behaviour management

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom and around school.

They will:

- Create and maintain a stimulating environment that encourages students to be engaged
- Display the School rules and A2L Lesson Grades. Referring to them on a regular basis
- Use the Restorative Practice framework to deal with any issues which arise
- Develop a positive relationship with students, which will include:
 - Greeting students at the start of lessons and ensuring an orderly entry
 - Establishing clear routines throughout the lesson and applying the school exit policy
 - Modelling positive behaviour
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement

8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents in writing

8.3 Confiscation

Any prohibited items (listed in section 3) found in students' possession will be confiscated. These items will not be returned to students.

- Alcohol, cigarettes (including matches and lighters) and e-cigarettes or vapes will be disposed of
- Knives or weapons will be passed to the police
- Illegal drugs and stolen items (valuable or illegal) will be passed to the police

Prescribed medication will be held securely in school, until collected by a parent/carer (See Medicines and Medical Needs Policy for guidance concerning the administration of prescribed medication in school.)

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to students after discussion with senior leaders and parents, if appropriate.

On the very rare occasions when it is necessary school staff can search students for any item which is banned by school rules, namely knives or weapons, alcohol, cigarettes (including matches and lighters), illegal drugs, prescribed medication and stolen items.

Staff authorized to search students are members of the Senior Leadership Team and the Pastoral Leaders.

Searching involves asking a student to turn out their pockets or shoes, empty their bag or locker.

Failing to give consent may result in the police being called.

Searching and screening students is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

8.4 Student support

The school recognises its legal duty under the Equality Act 2010 to prevent students with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the student.

The school's special educational needs co-ordinator will evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from Pastoral Leaders, Achievement Leaders, specialist teachers, an educational psychologist, medical practitioners and/or others as appropriate to identify or support specific needs.

When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

9. Student transition

To ensure behaviour is continually monitored and the right support is in place, information related to student behaviour issues may be transferred to relevant staff at the start of the term, year or when a change of teaching group occurs.

Information on behaviour issues may also be shared with new settings for those students transferring to other schools. To ensure a smooth transition to the new school, student's records are transferred to the receiving school. In addition, staff members hold transition meetings. Parents and students are encouraged to attend these meetings.

10. Training

Our staff are provided with training on managing behaviour, including meeting the needs of those with SEND or Emotional Health issues. Behaviour management will also form part of continuing professional development.

11. Monitoring arrangements

This behaviour policy and the written statement of behaviour principles (appendix 1) will be reviewed by the Headteacher and Governing Body every year or in light of new guidance from the DfE. At each review, the policy will be approved by the Headteacher.

12. Links with other policies

Appendix 2: Restorative Meeting/Detention Summary

For issues within a lesson, an RM can be scheduled at the teacher's discretion at break, lunchtime or after school.

For break/ lunchtime RM class teachers should agree the location with the student.

Pastoral Leaders and SLT will support after school RM sessions, which will take place in the canteen.

Period 5 teachers escort RM students to the canteen venue.

SLT Detention

If the RM is unsuccessful or the student does not engage with this meeting, a SLT detention will be issued. This will take place on Friday after school and will last until 3.40pm.

SLT detentions may also be issued for serious offences or breaches of the school rules both inside and outside of the classroom.

Appendix 3a: Specific Behaviour Guidance

STUDENTS CAUGHT SMOKING IN SCHOOL (including the use of Vaporisers and e-cigarettes)

Rationale

It is illegal to buy cigarettes under the age of 18.

Nobody can smoke on school premises, as Cheshire East Local Authority has a no smoking policy within all schools. Since 1st July 2007 it is illegal to smoke in any enclosed space or building.

Guidelines

First Offence: If a student is caught smoking or vaping, has smoking/ vaping equipment on them, including e- cigarettes, or is associated with the smoker(s) by acting as a lookout whilst on the school premises or travelling to/from school in uniform they will receive an SLT RM. Students will also be referred to the school nurse, in agreement with parents, to offer support in stopping smoking.

Any further offence will result in the student being placed in internal Reflection for 1 day and subject to voluntary searches.

Appendix 3b: School Uniform, ICT and Mobile Phones

Uniform sets a high standard of appearance. The wearing of appropriate dress for Physical Education and Games and for the practical subjects is clearly advantageous for student safety. Uniform can be purchased online.

SCHOOL UNIFORM

- Grey Blazer with school badge
- Royal blue blazer with school badge (Yr 11).
- Black school trousers, tailored in style and not jeans or skinny fit. Leggings are not allowed.
- Students may also wear a grey skirt. The skirt is a particular style and can only be purchased through the school supplier.
- A pale white shirt with top button to collar in a standard style
- A pale blue shirt with top button to collar in a standard style (Yr 11).
- The trousers and shirt should be standard school styles.
- A school tie – tied correctly - with silver and blue stripe
- Black tights or black/white socks.
- Black leather type shoes (not boots or training shoes). No dangerous high heels or canvas footwear will be allowed. It should be noted that reasonably robust school shoes are desirable for safety reasons.
- School jumper (optional). This does NOT replace the blazer but can be worn underneath it. No other jumpers or sweatshirts are permitted.

When students present in incorrect uniform, spare items will be loaned to them.

Skirts should be of knee length. Parents/ carers will be asked to replace skirts if they are deemed to be too short.

It is not appropriate to wear make-up or nail varnish at school.

Hair colour should be natural and extremes of hairstyle inappropriate for school will be deemed unacceptable.

Jewellery must be kept to the absolute minimum

One plain ring is permitted

One simple stud earring in the lobe of each ear

One simple bracelet only

One charity bracelet may also be worn

Nose studs, ear stretchers/tunnels or other body piercings are not permitted at school.

Student PE kit

All students in Year 7-10 must wear the new PE kit as detailed on the school website.

All jewellery must be removed for PE lessons and sporting events.

SANCTIONS FOR UNIFORM AND EQUIPMENT ISSUES

There is a system to monitor uniform and equipment to allow us to simply and efficiently sanction those students who persistently come to school unprepared. In line with the School rule, 'Ready' students should present at school in the correct uniform as outlined above and with all basic equipment necessary to complete work, i.e. Pen, pencil, ruler and calculator. This will be checked daily by Form Tutors.

Additional items of equipment may also be required by certain subjects; e.g. PE kit. This will be monitored by class teachers.

Spare items of uniform are available for those who are not in correct/ have missing uniform. Tutors are also provided with equipment boxes to loan items to students.

Organisation Green, Yellow, Red Card system.

The card system is a process to encourage compliance with the high expectations of all staff and students at Middlewich High School. Most students will not be required to use their cards but the card implementation aims to support **consistency** across the school. The card system becomes a reward system for compliance as blank green cards are entered into a prize draw with the Achievement Leaders.

The cards can be used to recognise indiscretions for uniform and lack of equipment. It does **not** replace firm sanctions for students disregarding the policies in school and normal behaviour management should be observed.

Cards are carried in the blazer front pocket and/or the timetable wallet. Any indiscretion is reported on the card by the teacher who addresses it. Tutors check the cards regularly to action any full cards.

Green card:

5 warnings for indiscretions of uniform/ equipment e.g. tie, shirt out, wearing too many earrings, no pencil, eye lashes etc

Sanction once full is phone call home by the Tutor (Hopefully tutor communication earlier prevents moving to yellow card)

The staff member who signs the final row of a green card issues a Yellow card to the student. The staff member will then send an email to the tutor to inform them and place the completed green card in the tutor's pigeon hole.

Yellow Card:

5 warnings for indiscretions of uniform or equipment.

Sanction once full is RM attended by the tutor.

Staff member issues a Red Card and follows the same process as above.

Red Card:

3 warnings.

Sanction is SLT RM on a Friday.

The cards are renewed after each half term.

Any lost cards will be replaced with the next card in line and the sanction applied i.e. if the green card has been lost staff member issues a yellow card.

Dear

Department lesson removal

Through lesson grading, I have been able to closely monitor the behaviour of NAME within SUBJECT lessons. In recent times, NAME has caused disruption to their own learning and the learning of others within the group. They have at times been loud and uncooperative showing they are not following the school rules of either being Safe, Ready, Respectful or Resilient; this has resulted in them being removed from the lesson on numerous occasions. This poor behaviour is not acceptable and as a result NAME will be placed on a departmental support plan for a period of 2 weeks to monitor their attitude to learning more closely. This should enable NAME to get back on track. However, if an improvement is not seen, you will be asked to meet with myself and the class teacher to discuss actions going forward. Students will not be allowed to negatively impact the learning of others by disrupting lessons.

This is very serious and it is vitally important that you continue to support the school by making it clear to NAME that poor behaviour will not be tolerated. Please read through the school's Behaviour Policy with NAME, which can be found on the school website.

Please sign and date the acknowledgement slip attached and return to me.

Yours sincerely

Three Stage Attitude to Learning Policy

If no improvement is seen, a lesson **grading** of **2** will be given and a reason **recorded on SIMS**. You may be set an RM to discuss your attitude to learning, behaviour or catch up on your work. If your behaviour continues you may be given the opportunity to leave the room to reflect on your choices.

Warning given – you have an opportunity to correct your behaviour.
Examples of when this warning could be given are:
turning around and not applying yourself fully.

Removal from lesson to an out-of-year 'buddy' (please see timetable) and 'On Call' requested via SIMS notification or radio. This removal will be **recorded on SIMS** and you will be issued with an **after school RM**

If you refuse to go to a 'buddy' or you are not successful in the 'buddy' room you will be put in Reflection for the remainder of the lesson.

Appendix 4 – COVID 19 Guidance – Sept 2021

Reviewed Sept 2021 by HTD/MED

Aim: COVID 19 is a pandemic and threatens lives. The leadership's primary priority is to reduce risk of contamination and transmission with the school community. Student conduct must adhere to the highest expectation of compliance.

Rationale: Thorough risk assessments have been undertaken and it has been identified that student conduct must meet the highest expectation if the site is to remain as safe as possible. Students must therefore observe this additional guidance directly related to COVID 19:

- Parents & students must have read the guidance posted out to home addresses with regular updates on guidance from the DfE
- Students must regularly sanitise their hands
- Students must observe the one way system in school and use the designated gates to relieve congestion
- Students must meet the highest expectation of conduct and compliance in order to secure the safety of other students and staff. Unsafe behaviour will be decisively managed by senior staff in line with the school's behaviour policy
