

Middlewich High School PTFA

Update July 2022

Firstly, thank you to everyone who has supported us over the last year. As a PTFA (Parents, Teachers & Friends Association) we have worked hard to try to raise vital funds for our children to benefit from within the school and to link with the community.

We started the year with a "Bags2School" collection, where you donated unwanted clothing and the PTFA received payment from the "Bags2School" company. We raised £66 which is fantastic for a 1st time event.

Our Calendar was the biggest fundraiser and had a huge number of photographic entries from the community and school and we were overwhelmed with the support from local businesses who sponsored months and supported the school, to whom we are extremely grateful to.

The shortlist of photographs were sent to 2 local community champions, a local vicar and Ms Thurland, who used a number system to independently choose their favourites which we combined to provide us with the winners. There was a very clear winner in the photograph of the Church in Blossom which became our front cover.

We are very grateful to all the sponsors and photographers.

Calendars were sold within school, at local fetes and at Jacks.

We have run raffles within school where children have been offered the chance to purchase raffle tickets and thanks to the prefects for selling these tickets during school hours for us.

We had planned to run a stall at the Folk & Boat festival but due to illness and other issues we were unable to. We hope to run this next year and would love for any volunteers, even just for a couple of hours, to help, before or during the event.

Thanks to all of you who pressed Jacks "Button reward" for us, from this we raised £250.

We continue to run the School lottery and Easy fundraising both of which are easy to join and [Easy Fundraising](#) costs you nothing to use when shopping online.

Details of how to join the school lottery and have your chance of winning every week can be found on [the school PTFA page](#).

If you are purchasing name labels, please think about using [Stikins](#) and use code 13393 when ordering to raise money for us.

School Fundraising Number (Optional):

13393

Middlewich High School

Thank you to those who purchased raffle tickets at the West Side Story performances, we raised £111 over the 3 nights.

Middlewich High School PTFA

Update July 2022

We would also like to send our huge appreciation to Liz, Morrisons Community Champion for all her support during this year as Morrisons have donated many competition prizes and items for the welcome packs.

From our fundraising, the PTFA have been able to fund some amazing enrichment events this year, thanks to your continuing support.

- *Welcome packs for the Year 7 parents in September*
- *Waterproof jackets & wellies towards Forest School lessons.*
- *Keyrings to celebrate the Year 11s time at Middlewich High School.*
- *Prize donation for end of year prizes*
- *Colour-run paint for the entire school.*
- *Ice pops in the heatwave*

Our aim is to ensure the funds raised by the entire school is used to benefit all students. As we in the PTFA grow in confidence and numbers since our formation in 2019 which was held back by "C", we are raring to go for another year of fundraising to support even more enrichment opportunities.

*If you are able to help, **in any way shape or form**, please do let us know. Just an hour or 2 or just a "bright idea" can have a huge impact. Even donating a great raffle prize which you or your business could offer would be a massive help.*

Huge thank you from all the Middlewich High School PTFA and we look forward to welcoming you at our next catch-up, which we often do at the Kinderton, as it's not all fundraising, we do have fun too!
