

## MIDDLEWICH HIGH SCHOOL

HEIDI THURLAND BA (HONS 1<sup>ST</sup> CLASS) NPQH HEADTEACHER

10<sup>th</sup> October 2022

Dear Parent/Carer,

I am writing to you to firstly introduce myself as the new Head of Maths at Middlewich High School.

My name is Mrs Freedman, and I am very privileged to be part of your child's journey, supporting them to be successful in Maths.

Part of your child's education is encompassed in the home learning referred to in previous the communication from Mrs Povey.

In Maths, we have recently introduced all students to our new online learning platform, MathsWatch.

MathsWatch is a brilliant resource which gives students access to a range of maths problems ranging from numeracy skills to exam style questions which the Maths department set in the form of assignments for home learning.

Your child has been coached how to use MathsWatch, which is available as an app and website:

<https://vle.mathswatch.co.uk/>

Students' usernames are:

last two digit of the year they started at MHS; first initial; surname; @middlewich

For example, Tim Green in year 8, will be:

21TGreen@middlewich

Student password is:

middlewich

We look forward to our students engaging in their home learning, and developing their confidence and understanding.

Many Thanks,

Mrs R Freeman,  
Head of Maths
